25X1A

15 February 1965

MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Telephone Conversation with []

25X1A

[] called on 15 February 1965 to indicate he had observed (assuming unofficially) a cable from Dr. McMillan to General Greer stating the following:

a. On 17 and 18 February 1965 Dr. McMillan will attend the following briefings in Los Angeles:

(1) Review of new search systems under Captain Gorman.

(2) Two or three discussions on [] with particular reference on security.

25X1A

(3) On Thursday, a detailed discussion on satellite defensive techniques under Captain Sherline.

(4) Synchronous satellite -- and reference was made to a letter to or from Secretary McNamara.

(5) Plans and progress on G-3 and a TITAN IIIX.

(6) A one-hour discussion on CORONA management with particular reference to CIA.

25X1A

(7) [] FY-66 program.

(8) CORONA 1017 story -- what happened and what is being done?

(9) Other.
